

PRESS RELEASE

Argo Turboserve Corporation (ATC) Partners with SJS Industrial, LLC

NEW YORK, NY and VIRGINIA BEACH, VA – March 24, 2023 – Argo Turboserve Corporation (ATC), the emerging leader in Supply Chain Management and Spare Parts Management Services, and SJS Industrial, LLC (SJS), a well-established veteran-owned provider of powder coating, industrial painting, and light fabrication services for commercial businesses and military/government agencies, today announced that ATC has partnered with SJS for sale and provision of SJS services. SJS fully retains its company identity and will continue to provide coating and related services to its customers without interruption.

Along with ATC's history and strength of supporting the U.S. Government, the partnership with SJS will greatly enhance its focus on delivering high-quality products and services to the industry. "By partnering with SJS, ATC is able to bolster its support of our government customers, and it gives us the ability to expand our service offerings," said Dan Tenzer, President of ATC's Government and Turbine Division.

"We are very excited about ATC's partnership with SJS," said Gino Gonzalez, Chief Executive Officer of SJS Executives, LLC, parent company of SJS Industrial, LLC. "We believe that ATC will provide continuous support to our current and future customer base and create even greater value to them, while SJS continues to focus on its core businesses."

About ATC

Since its inception, Argo Turboserve Corporation (ATC) has become a leading innovative provider of supply chain management services of aftermarket spare parts to numerous corporations, including several Fortune 500 companies. ATC is a globally recognized leading 4PL provider of original equipment supply chain management, repair management services, and distributor of aerospace, power generation, and other industrial components to the commercial and military aerospace, government, turbine, and other industrial markets. ATC's Government Business Unit has supported the Government, Military, and commercial marine industries for more than thirty years. ATC is headquartered in New York, NY. For more information, please visit ATC's web site at www.atccorp.com.

About SJS Industrial, LLC

SJS Industrial, LLC, located in Virginia Beach, VA, is a veteran-owned powder coating, industrial painting, and light fabrication company serving military-federal organizations and commercial businesses in the Hampton Roads area. Their state-of-the-art facility on Excalibur Court opened in 2020, featuring industrial ovens capable of handling large-scale powder coating projects like boat and ship hardware including keels, rudders and tillers, parks and recreational equipment like benches, lamp posts and playground equipment, and much more. For more information, please visit SJS's web site at www.sjsindustrial.net.
